ACTIVE-BAND GENEVA MT863

Media-Tech presents a multi-functional smartband for people who care about healthy lifestyle!

Thanks to innovative measurement systems, you can monitor your activities all day long!

The battery life time is 7 days of a regular use and up to 20 days of standby time!

- Measuring heart rate, blood pressure and oxygen within 30 seconds
- Burned calories calculating
- Sleep monitor that determines the exact time of awakening
- And many more useful functions like: sedentary reminder, stopwatch, watch, alarm...

- Social networks and messengers activity notifications
- MT863 has IP67 standard which makes the device waterproof
- Battery up to 20 days standby, up to 7 days normal use

Bluetooth 4.2 connection with the application

The history of all measurements is stored in the application on your smartphone or tablet. There is no need to keep a paper journal.

The history of measurements is very useful when you're visiting a doctor.

Waterproof IP67

Waterproof IP67 Guarantees resistance to water immersion and full dust resistance

Elegant style

MT863 smartband fits perfectly with official outfits.

Comfortable magnetic strap made of stainless steel.
