

The **Razer TAROK ESSENTIALS Gaming Chair** (product code RZGC-TAROKESSX) is designed to provide comfort and support during extended gaming sessions. Key features include:

- **Ergonomic Design:** Supports proper posture to enhance comfort during long periods of use.
- **High-Quality Breathable Material:** Fabric upholstery minimizes heat buildup and maximizes durability.
- **Full Metal Frame:** Reinforced structure ensures long-term stability.
- **3D Adjustable Armrests:** Customizable in height, depth, and rotation to suit individual preferences.
- **Tilt Mechanism:** Allows up to 10 degrees of free tilting, with the option to lock in an upright position.
- **Class 4 Gas Lift:** Enables height adjustment up to 100 mm with smooth operation.
- **High-Density Foam:** Molded foam in the seat (density 45) and backrest (density 18) provides maximum comfort.
- **Removable Cushions:** Includes neck and lumbar support pillows with adjustable placement.
- **Maximum Weight Capacity:** Supports users up to 130 kg.
- **Robust Nylon Base:** 700 mm reinforced base offers additional stability.
- **60 mm PU-Covered Wheels:** Ensure smooth movement across various floor surfaces.

This chair combines functionality and style, making it ideal for gamers seeking comfort during extended play.
