

Esperanza EKO009 Black Solo microwave Countertop 20 L 700 W

The Led Digital Microwave Esperanza EKO009 is a freestanding microwave oven with a 20-litre capacity and an output of 700 W. It features six pre-programmed cooking programmes for popular everyday dishes and a defrost function. The LED display shows the cooking time, power level and clock. There is also a child lock for extra safety.

The microwave comes in black and has a 24.5 cm diameter turntable, which ensures even heating of food. It measures 446 mm wide, 323 mm deep and 245 mm high, weighing 9.4 kg.

Thanks to the Esperanza microwave, you can prepare lunch or dinner quickly and easily. Its large capacity and numerous programmes for cooking and defrosting will certainly make preparing meals easier. You no longer need to spend hours in the kitchen - you can prepare a tasty meal in just a few minutes. Thanks to preset cooking programmes for the most popular everyday dishes, you can prepare them at the touch of a button. The turntable ensures even heating of the food. As a result, your dish is always perfectly heated inside and out. Enjoy your meal!
