

Razer Tarok Natrix – Key Features

Model: RZGC-TAROKNAT

Brand: ZEN

EAN: 4897029969649

Premium Fabric Upholstery

Crafted with breathable, high-quality fabric that provides lasting comfort and ventilation during extended sessions.

Ergonomic Foam Cushions

Lumbar and neck cushions made from dense foam provide excellent posture support.

Lockable Tilt Mechanism

Fully customizable tilt system with a lock function, including an upright position for work or focused gaming.

3D Adjustable Armrests

Move in three directions—vertically, horizontally, and rotationally—for personalized arm support.

XL 60mm Pressure-Relief Caster Wheels

Oversized wheels ensure smooth, quiet movement across all types of flooring.

Class 4 Gas Lift (100 mm range)

Industrial-grade gas lift for reliable and precise seat height adjustment.

Durable Metal Frame

Solid internal steel frame structure ensures long-term durability and strength.

Stylish TAROK Series Design

Part of Razer's official TAROK line, blending ergonomic performance with sleek aesthetics.
